Hey Morris,

I am ready to wire the funds in the morning but because its a lot of \$\$\$\$ , just to make sure that there are no misunderstandings; I want double check that you do guarantee the following:

1- Provenance from your late father's collection, Israel 1960s; you have therefore established, to the best of your knowledge, these items have not been illegally obtained from an excavation, architectural monument, public institution or private property.

2- Clearance by US Customs (if the items are seized or detained more than 30 days upon arrival into the US you will issue a full refund).

3- The two outer sarcos are <10% repainted (you actually said there was no repainting, but <10% is fine for me).

4- The inner sarco is < 30% repainted.

5- I will receive the items within 60 days.

6- You will give me an invoice for the amount paid and the full statement of guarantee of provenance as stated above.

I do not think any of these terms out of the ordinary. Please just confirm by answering this email.

Best Regards,  
Joe
